

## **The Declaration of Sydney**

The International Federation of Environmental Health meeting here in Sydney, this twenty third day of September in the year nineteen hundred and eighty eight, in conjunction with the Inaugural World Congress of Environmental Health pledges its support to the Declaration of Alma Ata and for its part, calls on all governments of the world, international organisations and the world community, to make care for the environment in the interest of human health, an essential primary concern in their efforts to achieve progress and strive to rid the world population of exposure to environmental hazards which pose a threat to human health.
