WORLD ENVIRONMENTAL HEALTH DAY 2018 PLANNED ACTIVITIES, UGANDA

Makerere University Environmental Health Students' Association (MUEHSA), Uganda will be joined by Kampala City Council Authority (KCCA) – Kawempe Division to mark World Environmental Health Day on 26th September, 2018 with other training institutions such as Uganda Institute of Allied Health and Management Sciences (UIAHMS) in a clean-up exercise in Kalerwe market in Kampala. MUEHSA already did a similar activity on 18th September 2018 in Mulago market also in Kampala. During the celebrations, there will also be TB screening by Integrated Community Health Organization (ICHO), a non-governmental organization affiliated to MUEHSA, of all food handlers as well as health education sessions on food hygiene and safety in the three markets of Wandegya, Kalerwe and Mulago. The World Environmental Health Day Celebrations 2018 will be held under the theme "Global Food Safety and Sustainability" as MUEHSA prepares to host the 3rd International Federation of Environmental Health Academic Conference 2019 in Kampala, Uganda.
