SEPTEMBER
2019

KUCHING
SARAWAK

Theme :
**"CLIMATE CHANGE CHALLENGES,
TIME FOR GLOBAL ENVIRONMENTAL
HEALTH TO ACT IN UNISON"**

World Environmental Health Day (WEHD) 2019

1. Background

The National Level World Environmental Health Day 2019 will be celebrated in Kuching Sarawak. The theme for 2019 celebration is "Climate Change Challenges, Time For Global Environmental Health To Act In Unison". The theme was chosen by the International Federation of Environmental Health (IFEH) and serves as a wakeup call for all the global citizen to act in unison to address the climate change. For this very reason also, it call for every walks of life to come together as one to shoulder the responsibilities to save the planet from the catastrophic consequences that the climate changes will have upon the mother earth.

This year, the Health Inspector Union of Sarawak Health Department (HIUS) has been entrusted to organise this very special international event at National Level with the support of Ministry of Health Malaysia (MOH), Malaysian Association of Environmental Health (MAEH), Malaysian Health Inspector Union of West Malaysia (KIKSM), Assistant Environmental Health Officer Union Sabah (KPPKP) and Environmental Health Officer Malaysia.

2. Date and Venue of WEHD, 2019
