ON THE AGENDA

A woman with short grey hair, wearing a blue patterned dress and a black cardigan, stands on the wide stone steps of a grand classical building. She holds a long, white scroll that extends across the lower left of the frame. The building features large white columns and a dark entrance. Other people are visible on the steps in the background, some also holding scrolls. The scene is brightly lit, suggesting a sunny day.

POLITICAL CONVERGENCE

ECONOMIC CONVERGENCE

A man with a beard, wearing a grey suit and a blue tie, is seated in the driver's seat of a car. He is holding an open book and looking at it. The car is moving, as indicated by the blurred background. The interior of the car is visible, including the steering wheel and the dashboard. The text "POLITICS OF POSSIBILITY" is overlaid on the right side of the image in large, bold, green letters with a blue outline.

POLITICS OF POSSIBILITY

- 
- Hope not nightmare
 - Embed in everyday life
 - Inclusive not divisive
 - Identify risk and think long term
 - Think Glocal
